RE: THE CITY OF NEWARK'S RESPONSIBILITY TO
PROTECT THE ABOVE REGISTERED LANDMARK

Dear Atty. John J. Teare & Atty. Glenn A. Grant:

URGENT! On behalf of a majority of the trustees of Scott's Cultural and Civic Center Inc.; I, Elliott N. Scott do hereby demand that the City of Newark, New Jersey immediately arrange for a security guard to be stationed inside or just outside all entrances to the Historical Registered National Landmark known as the KRUEGER MANSION at 601 High Street; in order to keep said valuable property from being vandilized of over \$100,000.00 worth of ANTIQUES in the form of Art objects, Priceless paintings, Murials, Stained glass windows, Exquisite carvings, Real Crystals, Statues, Original Pannels, Fireplaces, Bronze-Brass objects & many other antiques & valuable items.

This urgent demand is being made because the City Of Newark New Jersey, through the Sheriffs offices, did evict all of the caretakers and boarded up this registered landmark yesterday (3-23-84) and left said premises at the mercy of all thieves bent on vandilizing all boarded up City properties.

I, Elliott N. Scott (owner of all furnishings of Scott's College Of Beauty Culture Inc.), also demand that and state that until you arrange for us to remove over \$50,000.00 worth of beauty school furnishings (including everything except permanent fixtures); the City of Newark New Jersey will be liable for all contents inside & outside the premises known as the KRUEGER MANSION at 601 High Street in Newark New Jersey. Your office has my mailing address through previous certified letters to your office. Kindly respond today.
